NEWSLETTER

Dear Parents and Carers

It has been a very short half term and we can't quite believe that it is half term next week.

We hope you have a lovely half term break.

There has been lots of activities going on these past few weeks. Pupils have been out in the community, learning outdoors in the school grounds, going out on class trips further afield, taking part in the choir performance, etc. etc.

Dosbarth Enfys had a wonderful morning experiencing the Indian / Hindu festival of Holi.

The children explored powder paint and colour and looked amazingly colourful at the end of the session.

Dosbarth Celyn had a lovely day out in Caerleon where they visited the Roman museum and the Roman Amphitheatre to learn all about the Roman Empire.

We enjoyed jacket potatoes provided by students from our Bach site—they do a great job of preparing all of the toppings for us to enjoy—they were lovely.

CHOIR PERFORMANCE

Once again, some of our pupils took part in the Newport Choir performance which took place at St Woolos Cathedral. We received lots of feed back regarding the wonderful performance of our students. We are all very proud of their performance. The pupils really enjoyed themselves.

Photo's are attached for you to see.

Pupils Return to School after half term on **Monday June 2nd.**

Last day in school for pupils this academic year will be Thursday, July 17th

Welsh Word of the week is “Space—Gofod”

Stunning location for the choir performance

Dosbarth Celyn visiting Caerleon

Dosbarth Ffynon have been doing lots of learning outside this week and have explored volcanos and used different materials to create them.

They have also been enjoying daily walks to keep fit and healthy!

Pupils in Morfa preparing and delivering breakfast items for their "Café Morfa".

Some of the new sensory boards added to our forest school area this week.
