Statement of intent

In line with WG guidance the funding for pupils made available through Pupil Development Grant is focussed on vulnerable pupils primarily those who are entitled to Free School Meals and Looked After pupils to ensure that the funds are targeted to improve outcomes for these pupils. The PDG grant for 2025/26 is being used to improve communication skills and wellbeing support for vulnerable pupils. The PDG grant is also targeted on improving engagement with parents through family support workers, as well as strategies to improve communication and engagement for parents/carers of vulnerable pupils.
