Dear Parents/Carers

20<sup>th</sup> July 2022

### **Information For Parents– Hydrotherapy Pool**

We are planning to re-open our hydrotherapy pool when we return in September. Please see below our letter with regards to purchasing appropriate swimwear for your child which will allow them to use the pool.

When pupils access the school hydrotherapy pool it is important that they are clothed in the appropriate swimwear. We pride ourselves on the cleanliness, smooth running and that all Health & Safety regulations of our pool are adhered to. This is to avoid any contamination to the pool or to anyone accessing it.

Anyone using the pool must **wear three layers of protection**. We ask you to purchase the first layer, we will provide the second layer and the final layer will be their normal costume, trunks or wet suit which we ask you to send in.

The first layer for you to purchase is in the form of a **disposable swim** nappy for the younger pupils (available from supermarkets, Boots, Superdrug etc). Alternatively, you can purchase washable protective swimwear. For our older pupils, the washable protective swimwear would be the only option available (The cost will then only be a one off payment as they are of a high quality and wash well). This protection is available from the internet or we have a leaflet from <https://www.incywincy.net/> (photocopy attached for your information).

We also shower pupils before and after using the hydrotherapy pool so please could you send in shampoo, shower gel, etc on the days that your child is timetabled to use the pool.

Unfortunately, if the correct swimwear is not provided your son/daughter will not be able to access the pool on that day.

Thank you in anticipation for your co-operation in this matter.

Yours faithfully

NICOLA ALLAN
