Dear Parents and Carers

10th January 2025

We have enjoyed these first few days back and getting into a routine again with the pupils after the Christmas break.

Cold Weather

It's been very cold this week. Please remember to wrap your child up warm for school. They will need a coat and a jumper or sweatshirt. If it's warm staff will take a layer off.

Sad News

I am very sorry to let you know that one of our pupils, Gwenny, passed away unexpectedly on New Year's Eve after a short illness.

I know that you will all respect that this is a private matter for the family to come to terms with their enormous loss and allow them time and space to grieve.

I have assured Gwenny's family that we are all thinking of them and holding them in our hearts at this very sad time. We will support them as a school now and in the future as Gwenny was a treasured member of our school family.

Seesaw

We use Seesaw as a messaging app and to share photos and information about your child's progress in school. You can share your child's QR code with up to 10 family members, even if they live in another country, so that they can see what your child is doing in school.

If you need help to use Seesaw, please contact the school office and we will help you.

Stay warm this weekend.

Kind Regards

NICOLA ALLAN
HEAD TEACHER
