

MAES EBBW SCHOOL

NEWSLETTER

Dear Parents and Carers

23rd January 2026

It has been a wet and blustery week this week. I have included some lovely photos of the pupils working in school this week.

Pupil Reports

You should now have received your child's Autumn school report. These were sent home this week in a white envelope.

Valentine's Day Gifts

On Wednesday you would all have received an order form for Valentine's Day gifts. The envelope should have contained a letter with an explanation. Apologies if this has caused some confusion.

This is not a fundraising event for the school. The pupils at Maes Ebbw Bach have worked hard to make the gifts and are selling them as part of their Business Enterprise and as a way to contribute towards their Accredited Courses. They have produced similar gifts in the past for Christmas and Mother's Day.

Any profits made will be re-invested into their business in order to produce future gifts.

Sponsored Walk for Ty Hafan - Ramble to Rugby for Ty Hafan ❤️

Matt Maycock (Parent) and Richard Hennah (Operational Business Manager) are taking on the Ramble to Rugby challenge on February 7th, putting their walking boots on and covering the miles to raise vital funds for Ty Hafan Children's Charity.

Ty Hafan provides care, comfort and support to children with life-shortening conditions and their families across Wales—helping them make the most of every moment together. The work they do is truly life-changing, and they rely heavily on fundraising to continue supporting those who need it most.

By sponsoring Matt and Rich, you're not just backing a walk—you're helping give families precious time, care and compassion when they need it most. Every donation, big or small, makes a difference.

👉 Please donate if you can, and share to help spread the word.

Thank you so much for your support ❤️

Information can be found on Facebook or alternatively copy and paste this link into your browser.
