Dear Parents and Carers

18th November 2022

It has been Children in Need day today, and the students have had a wonderful time. Please see the photos from today, the pupils looked wonderful. The money we raised today will be shared equally between Children in Need and Maes Ebbw PSFA (Parents and School Friends Association).

Nasal Spray Flu Monday 21st November

On Monday the 21st November the school nurses and the immunisation team will be delivering nasal flu spray for the pupils, where parents have given their permission for this to take place in school. You will also see a poster attached for the flu nasal spray that can be administered to 2&3 year olds at your GP surgery.

Allergies in School.

A reminder to everyone, that we have a number of pupils in school who have allergies to nuts. We ask that NO ONE sends nut products into school for snack and lunch times please. It helps keep all our children and staff safe.

We have just completed a piece of work with the dietician to ensure that we have up to date information on every child in school with any allergies. If your child develops an allergy to any food that we are not aware of, please contact the school as soon as possible and we will support you with the process, so that we have all the necessary information to keep your child safe.

EMA

Pupils age 16+ as of 31st August 2022 could be entitled to the EMA allowance. If your child is not already receiving this but you think they may be eligible, please check the criteria for applications on the *Student Finance Wales website*. The thresholds for this academic year have changed slightly and you may now be eligible.

Hope you all enjoy a lovely weekend.

Kind Regards

N. Allan
