Dear Parents/Guardians

1st July 2022

It's been another exciting week here at Maes Ebbw. We have begun a cautious return to lunchtimes in the hall for the first time in more than 2 years. Groups of our secondary students have trialled it this week and enjoyed being back together. We will introduce it to the primary pupils in the coming weeks. It means that pupils learn to eat in a social setting alongside other people. The primary pupils will be supported by the whole class team while having their meal in the hall. It feels like a positive step in the right direction.

Animal interactive

A group of our primary students invited Animal Interactive into school for a visit as part of their topic this term. The pupils met a wide range of animals, rabbits, birds, lizards, snakes, a fox and even a skunk! A great day was had by all. We thought we would include some photos.

Athletics

A small selection of our Secondary pupils represented Maes Ebbw at the Special Schools Athletics Championships in Cardiff yesterday. They had a fabulous day and came away with many certificates of merit including Louise receiving a Silver Certificate.

Covid

Unfortunately, we are continuing to see a rise in Covid cases in school. Please be alert to any symptoms in your child. If your child is not well please keep them at home and test them if possible.

Parents evening

We have arranged parents evening for the 14th July. Please contact your child's class teacher if you want to book a time. In order for the evening to run safely and smoothly we are inviting just adults. Please don't bring children to the evening with you. It means that we will lessen the number of people in contact with each other and lower the risk of spreading Covid. If you are not able to attend in person, you may like to book a time to speak to the teacher by telephone as an alternative.
