Dear Parents

27th May 2022

The last week of this half term has been busy for our pupils. Many of the classes have organised their own Jubilee Party this week. I thought I would attach some photos so you could see what fun they had celebrating.

Half term

Please remember, it's half term next week. We hope that the weather is good and that you get a chance to get out and about. We look forward to seeing all the pupils again on Monday 6th June.

Free School Meals

You may have heard on the news that the Welsh Government are rolling out universal primary free school meals. The initiative will be phased over the next few years with confirmation that younger pupils would be the first to benefit from the provision. Welsh Government are expected to make a decision in the very near future on the initial roll out for September 2022, it is possible that the universal primary free school meals would only be available to pupils within reception year group, with further year groups to receive free meals from September 2023 onwards. Once Welsh Government confirm their position, we can provide you with more information in due course.

Newport City Council are required to engage with parents and carers and have designed a survey which is available on the link below. They will also share the survey on Newport City Council social media pages.
